REGISTER ONLINE!

Home About SWTJC Academics Admissions Student Life Directory Search

If you need help getting started, contact the Registrar's Office at 591-7255.

If you are currently enrolled in a developmental class, need to take a developmental class, or have any financial obligations to the college, you are not eligible to register online.

If you are exempt from taking developmental classes, or have already finished all your developmental work, online registration may be right for you.

Here are some of the advantages to registering online:

1. **GET STARTED EARLY** -- Online registration begins on April 1 for summer and fall classes.
2. **NO LINES** -- You can register online from any computer that has internet access.
3. **NO TRAVEL** -- If you live away from the SWTJC campus where you will be attending classes, online registration saves you a trip to town.
4. **BETTER SELECTION OF CLASSES/INSTRUCTORS** -- By getting an early jump on registration, you have a much better chance of getting the classes you need and the instructors you want.
5. **IT'S EASY** -- If you've never registered online, fear not. Give us a call at 591-7255 and we will help you get started.

Give online registration a try this fall.

Other than waiting in line, what have you got to lose?

First time entering students who have not passed a state-mandated exam are required to enter into a developmental program of study.
